First Lesson Under Auspices of The Washington Herald This Afternoon.

EACHONECOMPLETE

Talk To-day by Mrs. Helen Arr Ruggles Will Be a General One.

TO-DAY'S PROGRAMME. 2:30 P. M.

Lenien lonf with erlery sau-ese crescents. California Fruit omelet.

sking lessons, with Mrs. Hel

neis Northwest, this aftermoon. The less will last a week, one lecture, with ractical demonstration of coalding, between every aftermoon through to a Saurday. The lectures will begin every thoon at 7.50 o'clock, 'purple ought assemble in the "disacroom" at lock this afternoon, in order to get understanding of the delightful work will do as pupils of Mrs. Ruggies, formost authority in America on extic acience.

Miss Mary Ruth Swann, who was concentrations and many extended the lectures, there will be the tireal demonstrations and many extended the proposal at Lincoin. Noty.

leaders the lectures. There will be the actical demonstrations and many ex-cites of the newest and most improved music for the kitchen and the hearty of the dising-room. The pupils of the doing class will do well to examine them, as they afford fine object les-

Should Take Notes.

do not get the impression that

These do not get the intrestion that this is going to be a Tancy cooking carrieval." Mrs. Itungies said in a letter to The Washington Herald.

"While new and fare: dishes will be discussed and demonstrated, particular uttention will be paid to the numerous lishen that are most popular in the average.

dishes that are most popular in the average home.

"Strength, health, and vigor depontion wholesome food, and wholesom
food depends upon the cook. Mr object
will be to give you valuable suggestion
and advice so that you can arrange you
mostle more cessly and with greater variety, so that cooking will become a reapleasure.

m. numbering for the prizes, as well ting the best results from the the pupils will do best to star

Lecture a Broad One.

nate or a creole sauce, lamb kidneys, chicken livers. Only a slight beating eggs is necessary, for the tender ome-, and water produces better results

let, and water produces better results than milk.

The found water produces better form of The found about nothing. It looks well can be about nothing. It looks well and the inste is pleasing, but its milk is addy deceptive. Don't expect to feed a binnry family with a puffy ometer and retain their genuine devotion. It can't be done—at least, not often! However, there are occasions when this dish serves an admirable purpose. As a sweet it may be surrounded with fresh crushed fruit or with hos sirup containing hits of fruit. The light blending of ingredients, moderate cooking, and deft handing are all equally important. A little practice in manipulating large selection is sugarysted before the amatour distinguishes herself.

DOCTORATE DISPUTATION.

wenty-second Annual Event of

The twenty-second annual dectorate disputation directed by the faculty of disputation directed by the faculty of graduate studies of Georgy Washington University will be held at 10 o'cloffe this morning at 202 G Street Northwest.

The thesis, which will be by Marcus An Account of the Mammalian Family Tupalities. It will be delivered before Dr. C. Hart Merriam, biologist of the Harriman Foundation, Dr. Leonard Stejneger, head curator of biology of the National Museum, and Dr. T. S. Palmer, assistant chief, United States Biological Survey.

ANNUAL 'MÉTZELSUPPE' HELD IN ANACOSTIA

That Is, Roast Pig Held Main Tab Place-Proceeds Go to Asylum

Germans from all over the city congregated yesterday at the German Orphan Azylum in Good Hope Road, Auscottia, to attend the annual "metasisuppe." which was cenducted under the direction of the loand of directors. The feast in American style would be known as a pig roast, but had its origin in Germany where the custom still prevails. The pigs were killed and cooked in the afternoon and the company sall down to a sumptious med. with everything else added to make the affair or the comman or the affair or the work of the asylum.

Funcal services for Patrick J. McAntheren and the affair or the asylum.

Funeral services for Patrick J. McAdrews, of 222 Nichols Avenue, who death occurred on Saturday last, following a long tillnes, will be held this moring at 9 o'clock from his late resident and from thence the long will be take to St. Teresa's Church where required to the capacity of th

Idincoin, Nebr.

Prof. N. W. Preston, of Washington, delivered a special address, entitled "The Other Wise Man," before the congregation of the Anacosta Baptist Church pesterday, the service being conducted under the anapiete of the Progressive Association of that parish.

Extensive improvements are being made by Joseph K. Ibavison to his hopie, 152 Tallett Street, and by Robert H. Rutherford, at 164 Fort Street.

The special perachets to conduct the serviced to Entimative! Episcopal Church during the Letter season were amongs-construction of the service of the servic ing. Hisnop day evening

day evening.

Anacostia Commandery, No. 423, Unitive of Order of the Golden Cross, has selected these officers for the ensuing year.

J. Putram, noble commander; Mrs. B. J. King, past noble commander; Mrs. P. Jones, vice noble commander; Mrs. Carrie L. King, sprelate; James H. Dony, keeper of records, Daniel C. Smithson, keeper of financial resords, and Mrs. E.

HEADS "AQUAERO" COMPANY.

Jerome Pencintli, of Weshington to Have Offices Here.

Announcement was made vestering that eronic Fancialli, of Washington, well nown as the manager of the Currias coplane has been manager of the Currias ans, of New Haves. Com.

The eagmans has acquired a factory on the Thannes River, adjoining the grounds of Post Trimbirth. The president's office the trimbirth of Post Trimbirth. The president's office will be established in Washington, where it husiness will be transacted. We fancially in the president in dispassing the company's plains, said.

"We intend to light new life in the croplane husiness. With increasing and with the pleasure possibilities of the marine fifth misciline, the aviation of the product of the proposition of expension of growth more primition, the growth and growth, then the several years of lucra-
